The Valeant® Coverage Plus Program (VCPP) helps patients secure access to DEMSER® (Metyrosine), if and when your healthcare provider prescribes them: DEMSER® (Metyrosine). VCPP offers the following services:

Reimbursement Counseling: At your request, VCPP will investigate commercial insurance coverage availability for the product prescribed on the enrollment form. This service includes information regarding the prior-authorization process, if applicable, as well as the claim denial/appeal process.

Copay Assistance: Patients who have coverage for DEMSER® (Metyrosine) through their commercial insurance may be eligible* to receive the prescribed product for as little as $25. Patients who have commercial insurance, but whose plan does not cover the product, may also be considered for alternative assistance.

Patient Assistance: Subject to eligibility requirements, patients may be considered for the Patient Assistance Program (PAP) if they do not have insurance coverage.

Patients without insurance coverage may be provided product at no cost if they meet pre-established eligibility criteria. The following documentation must be provided to allow VCPP to review the patient's eligibility:

I, _____ (patient's name) verify that the information provided in this application is complete and accurate. I do not have the financial resources to pay for product. I agree that if I am eligible and receive any free product, approval is not valid for prescriptions reimbursed under Medicaid, a Medicare drug benefit plan, or any other federal or state programs (such as medical assistance programs). Program approval is not valid for Massachusetts residents or where otherwise prohibited by law. The patient is responsible for reporting receipt of this offer to any health insurer, health plan, or third-party payer as may be required. I understand that any assistance in the form of free product is contingent upon my ability to meet the eligibility criteria for the program. PATIENT AUTHORIZATION (Required)

I authorize my healthcare providers and health plans to disclose my protected health information ("PHI") to Valeant and its agents and contractors ("Valeant") to: (1) establish my eligibility for benefits through the Valeant® Coverage Plus Program (2) communicate with my healthcare providers and me about my medical care; and (3) provide support services including facilitating the provision of product to me. Valeant agrees to use and disclose this information only for the above purposes and as permitted by law.

I further understand I may refuse to sign this authorization and that my health care providers and health plans may not condition my enrollment in or eligibility for health plan benefits or my treatment on whether I sign this authorization. I agree to immediately notify VCPP of any change in my insurance status and understand that such changes may render me no longer eligible for assistance through the VCPP. I may cancel this authorization by notifying Valeant in writing and submitting the cancellation by fax or by mail to: (855) 735-4624 or PO Box 220667 Charlotte, NC 28222-0667.
